

1.4 Community anti-poverty programmes

1.4.1 Does your university as a body provide assistance in the local community supporting the start-up of financially and socially sustainable businesses through relevant education or resources? (e.g. mentorship programmes, training workshops, access to university facilities)?

Universitas Sumatera Utara has an Erasmus+ project which aims to develop technical knowledge and entrepreneurship for local communities in North Sumatra Province. USU has a community service program that must be carried out every year. In 2022, USU will have implemented 306 community service programs involving 1,224 lecturers and 1,530 students, with a total cost of IDR. 7,214,693,000. Apart from that, USU has a Community Service Program (KKN) which provides opportunities for lecturers and students to contribute to rural development in North Sumatra Province. USU also has a Community Service Program to help local residents develop their business initiatives. In this way, the KKN program at USU becomes a vehicle for students to play an active role in supporting economic growth and welfare of local communities. In 2022, USU will also have a Village Adoption program which is an interdisciplinary collaborative effort to overcome problems in selected villages. USU provides support to 11 villages in North Sumatra Province through this program.
